

Rigshospitalet

Department of Neurosurgery

Copenhagen NeuroSurgery

WELCOME to SRS – Symposium

**Copenhagen 2024
February 6th.
13.00-17.00**

Invited speakers

Ian Paddick: Chief Physicist, MSc

Stephanie E. Combs: Prof. Dr Bodo

Lippitz: Prof. Dr.

Bente Sandvei Skeie: Prof Dr

Local Organizers

Tiit Illimar Mathiesen, MD, DMSc

Torstein Ragnar Meling, MD, DMSc, PhD, EANS President

Søren Møller, MD, PhD

Aida Muhic, MD

Program:

- 13.00 – 13.15 [Torstein R. Meling, Søren Møller, Tiit Mathiesen](#)
Lunch and Welcome
- 13.15 – 13.35 [Ian Paddick](#)
Radiobiology of radiosurgery
- 13.35 – 13.55 [Stephanie Combs](#)
SRS and clinical indications - when to choose which radiation modality in neuro-oncology
- 13.55 – 14.10 [Ian Paddick](#)
The physics of radiosurgery, different technologies.
- 14.10 – 14.30 [Bente Skeie](#)
SRS and vestibular schwannomas
- 14.30– 14.35 [Tiit Mathiesen](#)
Tailored microsurgery & radiosurgery of vestibular schwannomas & meningiomas
- 14.35 – 14.55 Coffee break
- 14.55 – 15.15 [Bodo Lippitz](#)
SRS and meningiomas
- 15.15 – 15.30 [Bodo Lippitz](#)
SRS and metastases
- 15.30– 15.45 [Stephanie Combs](#)
SRS and arteriovenous malformations
- 15.45 – 16.00 [Bente Skeie](#)
SRS and trigeminal neuralgia
- 16.00 – 16.20 [Mikkel Skaarup, Aida Muhic, Tiit Mathiesen, speakers](#)
Cases and discussion

Rigshospitalet

Department of Neurosurgery

16.20 – 16.30 [Jonas Gårding](#)

Partner research program

16.30 – 16.55 [Participants, speakers; moderator Torstein Meling](#)

Stereotactic radiosurgery: radiation biology, medical needs, future opportunities

16.55 – 17.00 [Torstein R. Meling](#)

Summary and adjourn

Registration

Please register via email at lros0120@regionh.dk.

Date: February 6th

Time: 13:00-17:00

Address:

Inge Lehmanns Vej 6 2100 København Ø,
Afdeling for Hjerne- og Nervekirurgi Afsnit
6031, opg. 6, 3. sal.
